

Business Operations Blueprint™

Diamond Directory

Important Note: I personally use and recommend all of the products in the Diamond Directory. However, as much as I like these resources, I do not accept responsibility for any purchases you make, business you conduct, or relationships you may initiate with anyone listed in this directory. As their “thank you” for sending people their way, I may receive compensation from some of the entities listed for referrals. That said, I never recommend any service or product solely for the reason of receiving commissions. Please send notice of any inaccurate links to info@chrishart1.com. Thanks! Chris Hart
